
A couple in wedding attire stands in a vineyard, looking out over a landscape of rolling hills and mountains under a clear sky. The bride is wearing a white dress and a floral headpiece, and the groom is in a dark suit. They are positioned in the lower foreground, surrounded by green grapevines. The background features a range of mountains and a body of water in the distance.

"My husband and I got married at Gerry Ranch. We immediately fell in love with the beauty of the venue, with the mix of the garden and rustic feel. The natural décor at the venue alone leaves you with minimal extras you need to add to beautify the space. It also provides an adorable bridal suite to get ready in, along with a golf cart that was able to take us to the different locations that we wanted photos at on the property. There are upgraded restrooms onsite (including air-conditioning and music). We could never have imagined that we would be so happy with the venue that we chose. All of our guests were so amazed by the beauty of the venue and the amazing location, and now a few of my friends got the venue info and want get married there because of how impressed they were. We could not be happier with our choice in venue and would fully recommend this site to anyone in the search for the perfect outdoor venue."
